

## **Leath CI Launches New Website**

Warden Angelia Rawski has announced that Leath Correctional Institution in Greenwood has just recently launched its own Web site. The Leath site will focus on restorative justice where offenders are encouraged to take responsibility for their actions and to give back to the community.

The website can be viewed at [http://www.doc.sc.gov/institutions/leath\\_web.pdf](http://www.doc.sc.gov/institutions/leath_web.pdf). Warden Rawski invites everyone to surf the site and to offer any comments or suggestions on its content.
